20th January 2024

Dear Dr Patterson,

Re: Raymond Cox
DOB: 26/11/1958 NHS: 389 517 0642

Thank you for referring Raymond Cox for specialist review.

Clinical assessment confirms Ischaemic Heart Disease with satisfactory control.

I recommend continuation of current management with annual review.

Please refer back if any concerns arise.

Yours sincerely,

Dr R. Kumar
Consultant Physician
