20th January 2024

Dear Dr Patterson,

Re: William Davies
DOB: 30/12/1945 NHS: 852 741 6293

Thank you for referring William Davies for specialist review.

Clinical assessment confirms Heart Failure with satisfactory control.

I recommend continuation of current management with annual review.

Please refer back if any concerns arise.

Yours sincerely,

Dr R. Kumar [redacted] Consultant Physician
